From the slopes to the plate

Whether you're a relaxed hiker, a lightning-fast skier or a true sightseer: after a day in the fresh mountain air, we'll gladly take over. Unwind completely in our wellness area with Finnish sauna and infrared cabin. Then let us spoil you with a full dinner!

From 15 December our cosy restaurant opens its doors again! Every Monday, Friday and Sunday we'd love to welcome you (arrive between 6 and 7 pm).

Arjan draws on 25+ years as a chef to cook a changing 4-course menu with lots of passion, based on the seasons and local ingredients. Meanwhile Laura surprises you with the renewed wine list and helps you pick the perfect bottle. To keep things personal and intimate, we have room for 20 guests at most. So make sure you reserve a table before you arrive!

Every Wednesday in winter: cheese fondue special

Every Wednesday at 6:30 pm sharp we turn the kitchen into a real spectacle. We start with a steaming homemade onion soup with gruyère, followed by a creamy cheese fondue with generous platters of charcuterie, vegetables and fresh bread.

We finish with Arjan's famous Dame Blanche (vanilla ice cream with warm chocolate sauce). You want to be there for this one!

Celebrate the holidays in the snow

Over the holidays we go all out in the restaurant with a festive 4-course menu for €55 per person. This special menu is separate from our regular prices; on all other days our standard rates apply.

- **Christmas Day (25 Dec)**: starts at 6:00 pm.
- **New Year's Eve (31 Dec)**: starts at 6:00 pm. The restaurant closes at 9:00 pm that evening, so everyone has plenty of time to ring in the new year with loved ones.

  Please note: on New Year's Day (1 Jan) the restaurant is closed in the evening.

Over the holidays, full really means full, so reserve your spot in time!
